

INTERIOR DESIGN

Dimension IV – Madison Design Group provides design services for a wide range of interior design projects: offices, hotels, restaurants, banks, libraries, senior living environments, tenant build-outs, and condominium buildings.

Our services are tailored to the specific needs of each client and include space programming, space planning block diagrams, conceptual design, interior architectural details, material and finish selections, and design and procurement of furnishings, fixtures, equipment, artwork, and signage.

We are committed to high quality and innovative design solutions, and we take a collaborative approach to each and every project which enables us to deliver the project on time and within budget.
