Boardwalk Assisted Living, Rothschild, Wisconsin

Oakwood Village East Skilled Nursing, Madison, Wisconsin

Oakwood Village West Retirement Community, Madison, Wisconsin

Dimension IV – Madison Design Group has a passion for designing senior living facilities that support independence, self-identity and determination, safety, and connection to the outside world. We strive to create a home-like environment in all of our senior living facilities, whether fully independent, assisted living, memory care, community-based residential, skilled nursing facilities or continuum-of-care communities.

Our services are tailored to the specific needs of each client and include architecture, site planning, feasibility studies, needs assessments, sustainable design, engineering, landscape architecture, and full-service interior design, including design and procurement of furnishings, fixtures, and equipment.

We are committed to high quality and innovative design solutions, and we take a collaborative approach to each and every project which enables us to deliver the project on time and within budget.
